    }
}

/* Since infobox is a table, many infobox templates take advantage of this to
 * add columns and rows to the infobox itself rather than as part of a new
table
 * inside them. This class should be discouraged and removed on the long
term,
 * but allows us to at least identify these tables going forward
 * Currently in use on: [[Module:Infobox3cols]]
 * Fixes issue described in [[phab:F55300125]] on Vector 2022.
